

Sunday Children's Group

Re-starting on Sunday 26th September 2021

We will be re-starting the Sunday Childrens Group at DBC on 26th September 2021 with the following protocols in place.

- ❖ The children will remain in the care of their parent/carer during the Worship part of the service and will leave the hall to go to the group for the Sermon only
- ❖ Separate labelled pencil cases will be provided for each family to use throughout the service, including being taken out to group
- ❖ No juice or fruit will be shared. Children may bring their own labelled drink bottle if required
- ❖ All ages will meet together
- ❖ Leaders will have taken a Lateral Flow Test before the service and may not be wearing a mask
- ❖ For child protection purposes a helper will always be in attendance with the leader...we may need parental support on a rota basis for helpers
- ❖ We will encourage children to use the bathroom facilities when we leave the main hall. If a child needs to visit them after that, they will have to return to the parent/carer to be taken

We intend the worship time to be more 'child friendly' and would be happy for anyone to pop in and see how the children's group is set up.

Please contact Kathy, Gareth, Judith or Margaret if you have any questions.
